

Teardrops

Shakin' Stevens

Teardrops will fall because of you teardrops will fall for only you.

I want you so

oh

you'll never know how much I need you.

Teardrops will fall if you don't need me Teardrops will fall

oh

please believe me.

I want you so

oh

you'll never know how much I need you. As long as there's a moon above There will be the two of us.

If you and I were meant to be Tell me you love me and I'll be your only.

Teardrops will fall Don't run and hide Teardrops will fall Stay by my side.

I want you so

oh You'll never know how much I need you.

As long as there's a moon above

. . . Teardrops will fall

oh

teardrops will fall.

Oh yeah

teardrops will fall

teardrops will fall.

Tear

tear will fall

teardrops will fall.
