Words & music: hugh martin & ralph blaine** chantal has been known to perform this song during holiday concerts. these are the traditional lyrics to the song, and are not accurate to chantal's version. **Have yourself a

merry little christmas
Let your heart be light
Next year all our troubles
Will be out of sightHave yourself a merry little christmas.
Make the yule-tide gay
From now on our troubles
Will be miles awayHere we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Will be near to us once moreSomeday soon we all will be together
If the fates allow
Until then we'll have to muddle through somehow
So have yourself a merry little christmas now
