Leave House

Caribou

I can see she's in for this
She can't see her
It can make her happy
And I can seeShe's says she's gone forward
And she's crying
And see she's callingLeave house
Leave house
Leave house
(And it's the first thing that I would do)
(And I'll make sure he'll follow you)
Leave houseThey say that I'm lonely
That I hide away
That I hide away from all of you
And I can't seeShe's says she doesn't follow
She need an answer
And see she's fallingLeave house
Leave house
Leave house
(And it's the first thing that I would do)
(And I'll make sure he'll follow you)
Leave houseLeave house
Leave house
Leave house
(And I don't tell me what I should do)
(But I'll make sure he'll follow you)
Leave houseAnd she can call my number
The way she feels like home
And I'll come and catch her
When she feels she's goneAnd we're both alone now
And yet we are not forever
The thing that makes us lonely
Will bring us back togetherLeave house
Leave house
Leave house
(And that's the last thing that I would do)
(And I'll make sure he'll follow you)
Leave house
