

Resurrect The Sun

Black Veil Brides

Hearing the echoes
Madness close
The years of my sinning
Teach me to show All this feeling of pain regret
These wounds will open
Like lines in the sand
The world is sleeping
But they still have hope so I pray for morning
I swear I'll never let you die
This stays within us
Can bring this moment back to life And my heart held high with this battle cry
On the shore
On the horizon (we won)
Resurrect the sun Follow the darkens
It's broken our homes
All that we wish for
Like fools on a road And I can feel it
Can this bring control
A Burning passion
When love takes its toll
Yes, those have a reason
Down on that cold I pray for mourning
I swear I'll never let you die
These saints within us
Can bring this moment back to life And my heart's held high with this battle cry
On the shore
On the horizon (we won)
Resurrect the sun Resurrect the sun, sun, sun
Resurrect the sun, sun, sun
Resurrect the sun The world is sleeping
They still have hope so I pray for morning
I swear I'll never let you die
This stays within us
Can bring this moment back to life And my heart held high with this battle cry
On the shore
On the horizon (we won)
Resurrect the sun Resurrect the sun, sun, sun
Resurrect the sun, sun, sun
Resurrect the sun, sun, sun

Resurrect the sun, sun, sun

Resurrect the sun
