Now

[Colbie Caillat](#)

Everything you see, you just can't erase
Everything you love, you'll never replace
Everything you feel, you still have to faceYou can only have today
So if you wanna go, stay
If you wanna run, wait
Everything is okayYou gotta live in the now
'Cause you can't go back to yesterday, eh
You gotta live in the now
'Cause tomorrow is too far away, eh eh ehWe can never know the way we're gonna be
You can plan it out, but it's still a mystery
If you let it go, your heart will be freeYou can do anything
If you wanna go, stay
If you wanna run, wait
Everything is okayYou gotta live in the now
'Cause you can't go back to yesterday, eh
You gotta live in the now
'Cause tomorrow is too far away, eh eey eeyEverything that happened in the past is just a dream
Everything that happens in the future is a mystery, yeahSo if you wanna go, stay
If you wanna run, wait
Everything is okayYou gotta live in the now
'Cause you can't go back to yesterday, eh
You gotta live in the now
'Cause tomorrow is too far away, eh eh ehIf you wanna go, stay
If you wanna run, wait
Everything is okay'Cause we live in today
If you wanna go, stay
If you wanna run, wait
Everything is okay
'Cause we live in today, eh eh eh
