

I'm Still In Love With You

Seal

Spendin' my day thinkin' about you girl

Being here with you, being near

I can't explain myself why I feel like I do

Though it hurts me so to let you knowThat I look in your eyes and it lets me know how you feel

Let me know that your love is really real

And it seems to me that I'm wrapped up in your loveDon't you know that I'm still, still in love with you?

That I'm still sho' 'nuff in love with you

Don't you know that I'm still, still in love with you?

That I'm still sho' 'nuff in love with youAnd I look in your eyes and all these years, years I see

Honey me lovin' you and you lovin' me

Well, it seems to me that I'm so wrapped up in your loveDon't you know that I'm still sho' 'nuff in love with
you?

Don't you know that I'm still sho' 'nuff in love with you?

Said I'm still do what you want me to

And I tried and tried, don't know what else to doDo what you want me to
See I tried and tried and tried

Don't you know that I'm still sho' 'nuff in love with you baby?

I want you to know it, hey, my, my babyBaby still up in love with you

'Cause I'm so, I'm still in love with you baby

Do what you want me to 'cause I love you baby

And I'm still in love with you
