

# Roads (Kero Uno Remix)

## Portishead

Oh, can't anybody see  
We've got a war to fight  
Never found our way  
Regardless of what they say  
How can it feel, this wrong  
From this moment  
How can it feel, this wrong Storm, in the morning light  
I feel, no more can I say  
Frozen to myself  
I got nobody on my side  
And surely that ain't right And surely that ain't right Oh, can't anybody see  
We've got a war to fight  
Never found our way  
Regardless of what they say  
How can it feel, this wrong  
From this moment  
How can it feel, this wrong How can it feel, this wrong  
From this moment  
How can it feel, this wrong Oh, can't anybody see  
We've got a war to fight  
Never found our way  
Regardless of what they say  
How can it feel, this wrong  
From this moment  
How can it feel, this wrong
