

Electric Feel

MGMT

All along the western front, people line up to receive
She got the power in her hands to shock you like you won't believe
Saw her in the Amazon with the voltage running through her skin
Standing there with nothing on, she's gonna teach me how to swim

Ooh girl, shock me like an electric eel
Baby girl, turn me on with your electric feel
(x2)

All along the eastern shore, put your circuits in the sea
This is what the world is for, making electricity
You can feel it in your mind
Oh you can do it all the time
Plug it in and change the world
You are my electric girl

Ooh girl, shock me like an electric eel
Baby girl, turn me on with your electric feel
(x2)

Do what you feel now
Electric feel now
(x5)
