On Your Face

Konshens

Ain't it funny that the way you feel, shows on your face
And no matter, how you try to hide it'll state your case
Now a frown will bring your sprits down to the ground
And never let you see, the good things all around
Everytime we seem to let our feelings flow
Our luck run out and the wind won't blowBut that can't make me sad, just can't make me
Whoa, 'cause I've been there before, don't wanna go no more
The world cant take me, wont let it drive me mad
Sadness bears no remedy for the problems in your life
While you run your race, keep a smilin face
Help you set your paceWish upon a sunny day, itll turn to rain
Use the sunshine in your heart to ease the pain
We wonder how your attitude is going down
Is it wakin and shakin and safe and sound?
Every time we seem to let our feelings flow
Our luck runs out and the wind wont blowBut that cant make me sad, that cant make me
Whoa, 'cause I've been there before, don't wanna go no more
The world cant take me, wont let it drive me mad
Sadness bears no remedy for the problems in your life
While you run your race, keep a smilin face
Life is on your caseYes it is, yeah
This world cant shake me, bad times cant make me sad
Whoa, 'cause I've been there before, don't wanna go no more
The world cant take me, wont let it drive me madYou cant shake me the way I feel today
Come tomorrow Ill feel the same ol way
Aint it funny that the way you feel shows on your face?
Wake me! My heart is feelin glad
Ill take you with me when youre feelin bad
Use the sunshine in your heartYou can't shake me the way I feel today
Come tomorrow I'll feel the same ol' way
I start to wonder whats going down, gotta feel it, feel it
Wake me! My heart is feeling glad
I'll take you with me when you're feelin' badI start to wonder whats going down
In your life, is it safe and sound?
I start to wonder if your lifes all right
Are you dealing with it everyday or does it cause you strife?
Yeah
