Tomorrow

Jorja Smith

[Verse 1]
The hardest thing I have learned is I can't help myself
If I can't trust my worth
And I can't trust my words
Accepting is not my fault but I'm the one to blame
And know I've got to change
No I'm not ashamed[Pre-Chorus]
You've been there for all of my crimes
You've given me all of your time
You've shown me theres flaws in blue skies
Only you, only you
[Chorus]
So don't you wonder why
I can't say goodbye
I won't even cry
There always is tomorrow
I, I can't sleep at night
I can't even cry
There always is tomorrow[Verse 2]
Patiently there for me when I'm forced to the edge
Always in my head to get out of your bed
But no one can understand confusion like I do
These blue days are my true
There's silence in my room[Pre-Chorus]
You've been there for all of my crimes
Only you, only you
[Chorus]
So don't you wonder why
I can't say goodbye
I won't even cry
There always is tomorrow
I can't sleep at night
I did it every time
There always is tomorrow[Bridge]
And I said what I said
Do you believe me, do I know who I am
Do you believe me, that I won't do you wrong
There a lot I've known all along
By finding myself I nearly lost 'em all

By fighting It all thought I knew it all
I'm lying alone and now I know I it all[Chorus]
So don't you wonder why
I can't say goodbye
I won't even cry
There always is tomorrow
I can't sleep at night
I won't even cry
There always is tomorrow[Outro]
So ready or not, here I come, you can't hide
I'm gonna find you and make you want me
Ready or not, here I come
I'm gonna find you and make you want me
