

Then You Can Tell Me Goodbye

Buddy Jewell

Kiss me each morning for a million years

 Hold me each evening by your side

 Tell me you love me for a million years

 Then if it don't work out

 If it don't work out

Then you can tell me goodbyeSweeten my coffee with a morning kiss

 Soften my dreams with your sigh

 Tell me you love me for a million years

 Then if it don't work out

 If it don't work out

Then you can tell me goodbyeIF you must go I won't grieve

 If you'll wait a lifetime

Before you leaveIf you must go no I won't grieve

 If you'll wait a lifetime

 Before you leave

Them if you must go mmmm I won't tell you no

 Just so that we can say we tried (we tried)

 Tell me you love me for a million years

 Then if it don't work out

 If it don't work out

Then you can tell me goodbye
