Find It Hard to Say by Jamie Lidell

There's something I need to say
and I don't know what I'm waiting for cause with you it's oh so simple
and I just wanna stay by your side.

It's what I want, yes it is.

You're enough for me baby.

You find it hard to say, all I need to say oh love, love...

Maybe when you trust in me,
the way that I want you to trust in me
oooooh the way I trust in you-uuuuuuohuuuu.

Say you understand it baby
cause I want to spend my whole life with you, with you, with you-uuuuuuuuuu.

Lay with me.

Let me said it again.

I love you, yes I do.

(music playing)

And I just want to stay by your side.

Just want to stay by your side.

Ummm ummm. Stay again, stay again.
