

# Sister Moonshine

## Supertramp

Oh when I was a small boy  
Well, I could see the magic in a day  
But, now I'm just a poor boy  
Well, maybe it's the price you have to pay If you lock your dreams away  
If no one wants to listen what's the story I wish I'd been a minstrel  
Just think of all the maidens I could call  
Oh I wish I'd been a gypsy  
Then maybe I could read the crystal ball 'Cause surrounded by these walls  
Just makes me feel uneasy I said, "Hey, sister moonshine  
Won't you send me a little sun?"  
I said, "Hey, sister moonshine  
Who's a stranger to everyone?" So, make us all laugh, make us all cry  
Make us all give, make us all try  
Give us a secret, show us the light  
Well, strike up the music, light up the sky If I was a lion well, I could be the king off all the plains  
If it was an eagle well, maybe I could fly above the rains  
Oh, fly above the pain but, I know I'm only foolin' I said, "Hey, sister moonshine  
Won't you send me a little sun?"  
I said, "Hey, sister moonshine  
Who's a stranger to everyone?" So, make us all laugh, make us all cry  
Make us all give, make us all cry  
Give us a secret, show us the light  
Well, strike up the music, light up the sky I said, "Hey, sister moonshine"  
I said, "Hey, sister moonshine"  
I said, "Hey, sister moonshine"  
I said, "Hey", I said, "Hey sister moonshine"
