

# Wish I Didn't Miss You (John Junior Remix)

Angie Stone

Oh yeah  
Same old story is back again  
She's not a lover, she's just a friend  
I'm sick and tired for you to blame on me  
Now you think it's funny  
Now you want to spend your money on girls  
But you forgot when you were down  
That I was around Call my lover, hang up, call again  
What in the world is happening  
Listen in, but don't yell at me  
Isn't it ironic all you want to do is smoke chronic  
Boy, you forgot when you were down  
Who was around I can't eat, I can't sleep anymore  
Waiting for love to walk through the door  
I wish I didn't miss you anymore Memories don't live like people do  
I'm sick for ever believing you  
Wish you'd bring back the man I knew  
Was good to me, oh Lord  
Every time you say you're coming  
Boy, you disappoint me, honey  
How well you forgot when you were down  
And I was around I can't eat, I can't sleep anymore  
Waiting for love to walk through the door  
I wish I didn't miss you anymore I can't eat, I can't sleep anymore  
Waiting for love to walk through the door  
I wish I didn't miss you anymore One of these days, it's gonna happen to you  
Missing a love like I'm missing you, babe yeah yeah  
One of these days, when your dreams come true  
That's the one that's gonna do it to you  
Oh oh oh, yeah, yeah, yeah yeah yeah I can't eat, I can't sleep anymore  
Waiting for love to walk through the door  
I wish I didn't miss you anymore I can't eat, I can't sleep anymore  
Waiting for love to walk through the door  
I wish I didn't miss you anymore I can't eat, I can't sleep anymore  
Waiting for love to walk through the door  
I wish I didn't miss you anymore
