

# Feels Like Home

[Randy Newman](#)

Something in your eyes makes me wanna lose myself  
Makes me wanna lose myself in your heart  
There's something in your voice makes my heart beat fast  
Hope this feeling will last the rest of my life If you knew how lonely my life has been  
And how low I've felt for so long  
If you knew how I wanted someone to come along  
And change my world the way you've done It feels like home to me feels like home to me  
Feels like I'm on my way back where I come from  
Feels like home to me feels like home to me  
Feels like I'm on my way back where I'm from With your embrace down a long dark street  
And a sigh of wind in the night  
But I'm alright 'cause I have you here with me  
And I can almost see the dark feels light If you knew how much this moment means to me  
And how long I've waited for your touch  
If you knew how I wanted someone to come along  
I never thought I'd love anyone so much Feels like home to me, feels like home to me  
Feels like I'm on my way to where I come from  
Feels like home to me, feels like home to me  
Feels like I'm on my way back to where I belong  
Feels like I'm on my way back to where I belong
