Hurt

The Adicts

The girl that I love doesn't love me too
I'm singing, oh, I'm hurt
Drown my sorrows in a barA man came from the dark and hit me, oh, I'm hurt
Everything's wrong, everything's bad
Everything happens to me, every thing's downSince I came to this town
I used to be so happy
Home wasn't far
But someone stole my carI'm singing, oh, I'm hurt
By now I was getting bugged
And soon I was getting mugged
Singing, oh, I'm hurt
