Loosen Up

The Joggers

sleepless and abstract, lazy and/or dumb, just loosen upall of all triumph burns inside the sun, nothing can be doneeveryone's gone, everyone's right here with you, sorting the loot,what makes us think that we're small when we don't even know, how it will endwhat makes us think that we're old when we don't even know, when it beganthey all worked hard while you made new friends, forcing new handssmoke without fire displaces all your good rest, some treasure chestsleeping in circles she's reading under her breath, some spanish addresslight damage on scorched earth underfoot, just loosen upeveryone's gone everyone's right here with you, just loosen up
