

Winter's End

Texas

Sometimes it seems like winter's end
The weeks, they just go on like a friend of mine
And the sadness it has left a trace
I think that you can see that on my face again
And it always makes things better
Now my days seem so much quieter
But I know
Yeah, I know
It'll never be the same again
Sometimes I feel my hands are tied
I need someone to come and cut these ropes of mine
And they'll wear a coat of wind and rain
To drive away the fears that I can't face again
And they'll always make things better
Now my days seem so much quieter
But I know
Yeah, I know
It'll never be the same again
I know
Yeah, I know
It'll never be the same again
Sometimes it seems like winter's end
The weeks, they just go on like a friend of mine
And the sadness it has left a trace
I think that you can see that on my face again
Yeah, you can
And it always makes things better
Now my days seem so much quieter
But I know
Yeah, I know
It'll never be the same again
I know
Yeah, I know
It'll never be the same again
