Drowning In Those Eyes

Ane Brun

It's like you're standing on my chest
Looking down, looking down
With your eyes at me at meI am drowning in those eyes
I am drowning in those eyes
I am drowning in those eyesI can't breathe, oh, you are
I can't breathe with you on top of meIt's like your standing on my chest
Looking down, looking down
With your eyes at me at me
