

Drowning In Those Eyes

[Ane Brun](#)

It's like you're standing on my chest
Looking down, looking down
With your eyes at me at me I am drowning in those eyes
I am drowning in those eyes
I am drowning in those eyes I can't breathe, oh, you are
I can't breathe with you on top of me It's like your standing on my chest
Looking down, looking down
With your eyes at me at me
