

Let Me Out

Jet

I don't have all of your answers
I'm just takin' my chances as I see them
Someone get me home, every day I feel a little more alone
I see the looks on their faces, I don't feel the same And it's gettin' old, tryin' to do what I've been told
I see it all in front of me now Yeah, let me out, let me out
Yeah, let me out, I don't have time for people draggin' me down Waitin' on, waitin' on someone to feel the same
Waitin' for someone who can talk straight and it's gettin' late
Someone get me home, every day I feel a little more alone
I give you all I can, you say you will and then you won't
I know everybody's tryin', they got problems of their own But it's gettin' old, I'm tryin' to do what I've been told
I see it all in front of me now Yeah, let me out, let me out
Yeah, let me out, I don't have time for people draggin' me down
Yeah, let me out, I won't be the last one shouting
Let me out, I don't have time for people draggin' me down I know you like I've known myself
But there's only so much that we can tell each other
So you say we can start again
But there's so much I know that I've tried hard to forget See it all in front of me now Yeah, let me out, I won't be the last one shoutin'
Let me out, I don't have time for people draggin' me down
Yeah, let me out, I won't be the last one shoutin'
Let me out, yeah, let me out
