

Wolfpack

Syd Barrett

Howling the pack in formation appears
Diamonds and clubs, light misted fog, the dead
Waving us back in formation
The pack in formationBowling they bat as a group
And the leader is seen so early
The pack on their backs, the fighters
Through misty the wavingThe pack in formation
Far reaching waves
On sight, shone right
I lay as if in surroundAll enmeshing, hovering
The milder I gaze
All the animals laying trail
Beyond the bough windsMild the reflecting electricity eyes
Tears, the life that was ours
Grows sharper and stronger away and beyond
Short wheeling, fresh spring
Gripped with blanched bones, moaned
Magnesium, proverbs and sobsHowling the pack in formation appears
Diamonds and clubs, light misted fog, the dead
Waving us back in formation
The pack in formation
