

Never Again

[Agnetha Faltskog](#)

English version of Ya nunca ms
(Agnetha Faltskog / Tomas Ledin)
Duet with Tomas Ledin Our nights are over,
It's just a long flight home,
The last touch in the morning
Is forever gone,
Mmm, oh baby, I want to hold you once again
Mmm, baby, it would never be the same. Chorus:
Never again, will I look into your eyes
Never again,
Never again, will I hold you late at night
Never again. Tomorrow's waiting,
It's time for me to go,
You don't have to say a thing
'Cause we will always know,
Mmm, oh baby, we were lovers with a smile
Yeah, baby, we had it all for a little while. Chorus x 3 Never again, ohhhh...
