Drop On Me

The James Hunter Six

"Drop On Me"
That's one hard word too many, you better let me back
I'd be gone already if could stand to see you cry
But what kind of a fool would I be? To let your tears get the drop on me
Hey, hey, hey
Baby one more time
Anything to keep you, from turning on the tap
Whoah, I ain't got another cheek you ain't already slapped
But kind of a fool would I be? To let your tears get the drop on me
Hey, hey, hey
Baby one more time
I'm just that sentimental yeah as the next man ever gets
But you better let me out of this kennel before one of us gets bit
Hey
Stop recall the last time
Like every time before, but you knew it baby this time
I nearly made it to the door
What a fool must I be to let your tears get the drop on me
Hey, hey, hey
Baby one more time
[Instrumental]
But what a fool must I be to let your tears get the drop on me
Baby one more time
Baby one more time
Ohh Stop your crying
Cos this I ain't a buying,hey, hey
