

Same To You

Melody Gardot

Same
Hmm-mm
Hmm-mm
Hmm-mm What you gonna get?
For all you've got
When you treat the one you love like they are nothin'
Who you gonna call?
While you're on your own
You build the bet you burn, in your home You had somebody who loved you
What did you do?
You had somebody who loved you
But you
No, honey
You left somebody who loved you
Now they're gonna do the same to you
Oh, they gonna do the same to you The same to you
The same to you
They gonna do the same
The same to you
The same to you
The same to you
They gonna do the same Whatcha gonna get?
While you're moving round
To some other kind of thrill with the feeling gone
Say you're gon' be fine
While you're on your own
You left the one you love right there alone You had somebody who loved you
What did you do?
You had somebody who loved you
But you
No, honey
You left somebody who loved you
Now they're gonna do the same to you
Oh, they gonna do the same to you The same to you
The same to you
They gonna do the same
The same to you
The same to you
(The same to you)

Ooh love
They gonna do the same to you(They gonna, they gonna)
(They gonna, they gonna)
(They gonna, they gonna)
Hmmm
(They gonna do the same to you)
(They gonna, they gonna)
(They gonna, they gonna)
(They gonna, they gonna)
They gonna do the same to you
(Same)
(Same)
(Same)
(They gonna do the same)
They gonna do the same
(Same)
(Same)
Say gonna do the same, do the sameYou had somebody who loved you
What did you do?
You had somebody who loved you
But you
No, honey
You left somebody who loved you
Now they're gonna do the same to you
They gonna do the same to youThe same to you
The same to you
They gonna do the same to you
Yeah
The same to you
The same to you
The same to you
They gonna do the sameSame, same, same, same (same)
They gonna do the same
Same (same) same (same)
Same (same)
They gonna do the same
