

# To Hell And Back

## Blessthefall

Yeah, I'm leaving the same way I came in  
Was looking forward but I can't see straight  
It's just like I know where I'm going  
It's just like me to fool myself  
I'm what happens, buried by the words of a liar  
I'm what happens but I'm alive and I'm still breathing, yeah  
We're sane because of her taste  
You didn't say enough but what must I have thought  
My mind plays it over and over  
Slow motion but we're moving faster, moving faster  
So much further, let's not lose control  
Light a match just to watch it burn  
Struck, light a match just to watch you burn  
Where are you going? How far?  
Where are you going? Let's give them hell  
We're sane because of her taste  
You didn't say enough but what must I have thought  
My mind plays it over and over  
Slow motion but we're moving faster, moving faster  
So much further, let's not lose control  
I'll bite the bullet just to save myself, oh  
Oh no, this ship is quickly sinking  
We gotta take control, gotta take control  
Oh no, this ship is quickly sinking  
We gotta take control, gotta take control  
Slow motion, now we're moving faster, moving faster  
So much further, now we're moving faster, moving faster  
I'll bite the bullet
