Lie, Lie, Lie

Myra

I tell myself that I don't love you
I tell myself that you're not good for me
Your eyes are green, gray, blue, whatever
But I don't look at them and I don't look at you
I tell myself that I don't want you
I tell myself that you're not what you seem
And we could never be together
I'm just not into you but I know that's a
Lie, lie, lie like before, before
Everyday I, I want you more, more, more
What am I gonna do? What am I gonna do?
You are the one, it is you
You're the one, you're the one
It's a lie, lie, lie like before, before
Everyday I, I want you more, more, more
What am I gonna do? What am I gonna do?
You are the one, it is you
You're the one, yeah, it's you, you, you
I tell myself that I don't need you
I'm unaware of who, why, what you are
The world, it don't revolve around you
But you expect it to, oh baby, wouldn't you?
I tell myself that I don't need another boy like you
You're the cause of all the stupid things that I do
And love, it just don't last forever
And I Don't want it to but I know that's a
Lie, lie, lie like before, before
Everyday I, I want you more, more, more
What am I gonna do? What am I gonna do
You are the one, it is you
You're the one, you're the one
It's a lie, lie, lie like before, before
Everyday I, I want you more, more, more
What am I gonna do? What am I gonna do?
You are the one, it is you
You're the one, yeah, it's you, you, you
You are the stars, you are the sun
You are the earth, you are the one
All of this time I've not been true

Hiding the fact I wanted you
Lie, lie, lie like before, before
Everyday I, I want you more, more, more
What am I gonna do? What am I gonna do?
You are the one, it is you
You're the one, you're the one
It's a lie, lie, lie like before, before
Everyday I, I want you more, more, more
What am I gonna do? What am I gonna do?
You are the one, it is you
You're the one, yeah, it's you, you, you
