

# Lie, Lie, Lie

Myra

I tell myself that I don't love you  
I tell myself that you're not good for me  
Your eyes are green, gray, blue, whatever  
But I don't look at them and I don't look at you  
I tell myself that I don't want you  
I tell myself that you're not what you seem  
And we could never be together  
I'm just not into you but I know that's a  
Lie, lie, lie like before, before  
Everyday I, I want you more, more, more  
What am I gonna do? What am I gonna do?  
You are the one, it is you  
You're the one, you're the one  
It's a lie, lie, lie like before, before  
Everyday I, I want you more, more, more  
What am I gonna do? What am I gonna do?  
You are the one, it is you  
You're the one, yeah, it's you, you, you  
I tell myself that I don't need you  
I'm unaware of who, why, what you are  
The world, it don't revolve around you  
But you expect it to, oh baby, wouldn't you?  
I tell myself that I don't need another boy like you  
You're the cause of all the stupid things that I do  
And love, it just don't last forever  
And I Don't want it to but I know that's a  
Lie, lie, lie like before, before  
Everyday I, I want you more, more, more  
What am I gonna do? What am I gonna do?  
You are the one, it is you  
You're the one, you're the one  
It's a lie, lie, lie like before, before  
Everyday I, I want you more, more, more  
What am I gonna do? What am I gonna do?  
You are the one, it is you  
You're the one, yeah, it's you, you, you  
You are the stars, you are the sun  
You are the earth, you are the one  
All of this time I've not been true

Hiding the fact I wanted you  
Lie, lie, lie like before, before  
Everyday I, I want you more, more, more  
What am I gonna do? What am I gonna do?  
You are the one, it is you  
You're the one, you're the one  
It's a lie, lie, lie like before, before  
Everyday I, I want you more, more, more  
What am I gonna do? What am I gonna do?  
You are the one, it is you  
You're the one, yeah, it's you, you, you
