

Move

Thousand Foot Krutch

Look, listen to my voice
If you're making the choice tell all the girls and the boys
Either scream or rejoice let's make that noise
Either move or we will all be destroyed Move and show me what you can do
When you step into the circle and shake like we do
And move when you just can't take it
And move if you just feel like breaking it Can you hear me?
Stop, look, listen to my voice
It was never my choice to feel all alone
This is my home Back up, you don't know if you've never been here
You've never been to the place inside, I face my fears
It takes everything I am Move and show me what you can do
When you step into the circle and shake like we do
And move when you just can't take it
And move if you just feel like breaking it Move and show me what you can do
When you step into the circle and shake like we do
And move when you just can't take it
And move if you just feel like breaking it If you come near me, stop, look, listen to my voice
If you're making the choice tell all the girls and the boys
Either scream or rejoice let's make that noise
Either move or we will all be destroyed Back up and let go if you've never been here
You've never been to the place inside, I face my fears
It takes everything I am So just move and show me what you can do
When you step into the circle and shake like we do
And move when you just can't take it
And move if you just feel like breaking it Move and show me what you can do
When you step into the circle and shake like we do
And move when you just can't take it
And move if you just feel like breaking it I come crashing to the floor
And I know there must be more like me
I've seen this all before
I can't carry this anymore, break free So move, move until the storm is over
'Cause underneath, there's a diamond passing over
So breathe, let's leave until the storm is over
Because I want to take you away Move and show me what you can do
When you step into the circle and shake like we do
And move when you just can't take it
And move if you just feel like breaking it Move and show me what you can do
When you step into the circle and shake like we do

And move when you just can't take it
And move if you just feel like breaking it Move and show me what you can do
When you step into the circle and shake like we do
And move when you just can't take it
And move if you just feel like breaking it Move and show me what you can do
When you step into the circle and shake like we do
And move when you just can't take it
And move if you just feel like breaking it
