

# Of Menstrual Blood And Semen

## Akercocke

Goat of a thousand young  
Goat of mendes divine  
Under the sigil of bephomet  
We pray of thee, we invoke thee  
I orate with due clarity  
Our brutal philosophy  
Curse the right of the altar  
And drink of the chalice of ecstacy  
SatanI drink deep of my sisiters blood  
Phallic benediction  
Purify the air with bells  
Unholy steps thirteen  
Of ceremonial darkness  
Utilize the power of Sheol  
Satan  
[solo - Paul Schanlan]I smite the blasting wand to thee  
Unholy steps thirteen  
In the name of Satan ruler of the Earth  
Grant me the power  
Grant me the power  
Of the forces of darknessI drink deep of my sister's blood  
Prophecy  
(Incantation to the Infernal Duke Gomory)  
Take them down  
Within the pentagram  
Come with me  
Prince of the north - Belial  
Eastern Prince - Lucifer  
Leviathan - Prince of western shores  
Prince of the south  
Satan
