Sweet Lady Night (M.B.R.G. Long Mix)

J.K.

Coz' I'm your sweet lady night
Coz' I'm your sweet lady night
La la la la la la la
Coz' I'm your sweet lady night
La la la la la la la
Coz' I'm your sweet lady nightSometimes you feel so alone like a boat on a sea
And those emotion of yours are so painfull and blue
Then I appear in the darkness and set you so free
Just like a dream it will be fantastic and trueCoz' I'm your sweet lady night
Spinning your head by the round
I'm gonna take you so high
Can't keep your feet on the ground
Coz' I'm your sweet lady nightLying your way coz' you have is my name on your mind
And your devotion to me is exiting you too
Coz' I arrived out of nowhere I treat you so kind
And anything that you want you know I will do
