

Sweet Lady Night (M.B.R.G. Long Mix)

J.K.

Coz' I'm your sweet lady night
Coz' I'm your sweet lady night
 La la la la la la
Coz' I'm your sweet lady night
 La la la la la la
Coz' I'm your sweet lady night Sometimes you feel so alone like a boat on a sea
 And those emotion of yours are so painfull and blue
 Then I appear in the darkness and set you so free
Just like a dream it will be fantastic and true Coz' I'm your sweet lady night
 Spinning your head by the round
 I'm gonna take you so high
 Can't keep your feet on the ground
Coz' I'm your sweet lady night Lying your way coz' you have is my name on your mind
 And your devotion to me is exiting you too
Coz' I arrived out of nowhere I treat you so kind
 And anything that you want you know I will do
