MAMAMOO

Decalcomanie Lyrics EnglishKnock Knock
Strange your appearance and unusual eyes
It's little bit fishy
It's ten to twelveGetting influenced by the atmosphere
We're looking at each other
Even the silence is sticky
Looks like our relationship is going to burstYou and I do kiss, I feel good
Leave me to you, I feel good
This is dangerous, dangerous, dangerous
I think maybe I'll cross the lineDrawn with you, I feel good
A orange colored drawing, I feel good
It's a little bit dangerous, darngerous
But I can't stop even it's dangerous
I feel goodKncok Knock
I already predicted
Ladies have really good sense
It's already happened
We spend the midnight secretlyAt that time
Knock Knock
Since last summer
Like an adolescent girl
I dreamed a romance night and day
I only waited today, Oh Yes
Oh, cellphone is Off, deadly breath
A secret party, roll out the red carpet
Welcome to my place, Knock Knock
Put your hands up above your head
Clap your handsYou and I do kiss, I feel good
Leave me to you, I feel good
This is dangerous, dangerous, dangerous
I think maybe I'll cross the lineDrawn with you, I feel good
A orange colored drawing, I feel good
It's a little bit dangerous, darngerous
But I can't stop even it's dangerous
I feel goodYour whispering, wakes me up (I feel good)
Your gesture and motion (I feel good)
This morning only with you (I feel good)
I feel good good good goodRoughly combing hairs and a body like a hulk
I want to see your line and hug you from behind, uh

Keep nog, I can't breathe
I can't control my self
I prepared for you
(MAMAMOO is coming back for you)
Knock Knock Knock Knock
Put your hands up aboove your head
Clap your handsYou and I do kiss, I feel good
Leave me to you, I feel good
This is dangerous, dangerous, dangerous
I think maybe I'll cross the lineDrawn with you, I feel good
A orange colored drawing, I feel good
It looks like a decalcomanie which is made by using us
