Under Your Spell Again

Barbara Fairchild

I swore the last time that you let me down
That I wouldn't see you if you came around
But I can't tell my heart what's right or wrong
And I've been so lonely since you've been gone
You've got me under your spell again saying those things again
Making me believe you're just mine
You've got dreaming those dreams again thinking those things again
I've gotta take you back just one more timeEverybody tells me that I'm a fool
That I never should have put my faith in you
And way down deep inside I guess I know it's true
But no one else can make me feel the way you do
You've got me under your spell again...
Yes I've gotta take you back just one more time
