

# Please Carry Me Home (feat. Shooter Jennings)

[Jessi Colter](#)

Advisory - the following lyrics contain explicit language:

When the blood curdlin' scream of the fear in my veins  
Pierces the darkness circlin' my brain  
When the pain in my soul is too great to explain  
I reach out for You, I'm callin' Your name Lord, please have mercy on my troubled soul  
You keep me together when there's nothing to hold  
Lord, please have mercy, I've nowhere to go  
When the temptation is over, please carry me home Would the jewel of deception rest in the crown  
Upon the heaven, the tempter who's hand keeps me down  
Living so carelessly, so easy to do  
But now that I'm paying, well, I'm running to You Lord, please have mercy on my troubled soul  
You keep me together when there's nothing to hold  
Oh Lord, please have mercy, I've nowhere to go  
When the temptation is over, please carry me home
