

# I Didn't Mean a Word I Said

Ella Fitzgerald

I didn't mean a word I said  
And if I hurt you, I'm sorry  
I didn't mean to lose my head  
And if I made you cry, I'm sorryIt was just another foolish quarrel  
    Won't you end it with a kiss  
        And just remember this  
    Except the time I said, "I love you"  
        I didn't mean a word I said  
I didn't mean a word I saidI didn't mean a word I said  
    And if I hurt you, I'm so so so sorry, so so sorry  
        I didn't mean to lose my head  
And if I made you cry, I'm sorryIt was just another foolish quarrel  
    Won't you end it with a kiss  
        And just remember this  
    Except the time I said, "I love you"  
        I didn't mean a word I said  
        I didn't mean a word I said
