

The Chain

Taking Dawn

Listen to the wind blow, watch the sun rise
Run in the shadows
Damn your love, damn your lies And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
(Come to me) Listen to the wind blow, down comes the night Run in the shadows
Damn your love, damn your lies Break the silence
Damn the dark, damn the light And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain Chain...keeps us together
(Run into the shadows)
Chain...keeps us together
(Run into the shadows)
Chain...keeps us together
(Run into the shadows)
