World's Best Kisser

Doug Anthony All Stars

I'm wet and I'm moist
So come on let's rejoice
In the birds, the bees, the fillies and the colts
And the fact that we are all young adults (hi baby, how are you?)
And lie back on your couch
After this there'll be no doubt
I don't care if you're a Miss or a Missus
You done been squelched by the world's best kisses
Ho, ho, sit up straight and pout
I'll suck your face until I pull your molars out
A tongue so grand you'll call me more than friend
One kiss from this and you'll never brush your teeth again
(and you know it's true, mate)
Well go back to your husband now
Tell him you done broke your vow
Stand proud and say "Hey Mister,
I've just been kissed by the world's best kisser"
Ho, ho, sit up straight and pout
I'll suck your face until I pull your wisdoms out
A tongue so long it really grows and grows
Put it in your mouth and it'll clean out your nose
I've only kissed one girl before
My Grandma on the kitchen floor
She dribbled and grinned and said "Hey Kid,
You taught me things your Grandpa never did"
She added there'd be hell to pay
If Ma found out we'd gone astray
So hurry Paul, go and get some sleep
You finally got a skill to teach the sheep
Hey, hey, calm down and pucker up
These lips are strong enough to stop a truck
A tongue so long, it really packs a punch
One kiss from this
And I'll know what you had for lunch
One kiss from this
And I'll know what you had for lunch
