

# Far Far

[Yael Naim](#)

Far far, there was this little girl  
She was praying for something to happen to her  
Everyday she writes words and more words  
Just to speak out the thoughts that keep floating inside  
And she's strong when the dreams come  
'Cause they take her, cover her, they are all over  
The reality looks far now, but don't go  
How can you stay outside?  
There's a beautiful mess inside  
How can you stay outside?  
There's a beautiful mess inside, oh  
Far, far there was this little girl  
She was praying for something good to happen to her  
From time to time there are colors and shapes  
Dazzling her eyes, tickling her hands  
They invent her a new world with  
Oil skies and aquarel rivers  
But don't you run away already  
Please don't go  
How can you stay outside?  
There's a beautiful mess inside  
How can you stay outside?  
There's a beautiful mess inside  
Take a deep breath and dive  
There's a beautiful mess inside  
How can you stay outside?  
There's a beautiful mess, beautiful mess inside  
Beautiful, beautiful  
Far far, there was this little girl  
She was praying for something big to happen to her  
Every night she hears beautiful strange music  
It's everywhere, there's nowhere to hide  
But if it fades she begs, "Oh Lord, don't take it from me  
Don't take it yourselves"  
I guess I'll have to give it birth, to give it birth  
I guess, I guess I have to give it birth  
I guess I have to, have to give it birth  
There's a beautiful mess inside and it's everywhere  
So shake it yourself now deep inside  
Deeper than you ever dared  
Deeper than you ever dared  
There's a beautiful mess inside  
Beautiful mess inside
