Say No! To Authority

Screeching Weasel

i like ronald reagan he teaches me to be a man
he shows me how to pull a scam in the name of
from my mind so that i don't grow up blind i am
uncle sam i like edwin meese the third he tells me
how to spend my time keeps nasty thoughts far
saying no! i am saying no! i like saying no! to
authority i like my policeman he rules my world
big brother to show me how i should feel to make
with guilt and fear makes sure i know he's always
near in case i should start acting "weird" i need you
sure i never stray to make everything ok
