Resurrection (Low Key Accompaniment Track)

Nicol Sponberg

I'm at a loss for words, there's nothing to say
I sit in silence wondering what led me to this place
How did my heart become so lifeless and cold
Where did the passion go?When all my efforts seem like chasing wind
I've used up all my strength and there's nothing left to give
I've lost the feeling and I'm numb to the core
I can't fake it anymore.Here I am at the end I'm in need of resurrection
Only You can take this empty shell and raise it from the dead
What I've lost to the world what seems far beyond redemption
You can take the pieces in Your hand and make me whole again, againYou speak and all creation falls to its knees
You raise Your hand and calm the waves of the raging sea
You have a way of turning winter to spring
Make something beautiful out of all this sufferingHere I am once again I'm in need of resurrection
Only You can take this empty shell and raise it from the dead
What I've lost to the world what seems far beyond redemption
You can take the pieces in Your hand and make me whole again, againYou have a way of turning winter to spring
Make something beautiful out of all this sufferingHere I am at the end I'm in need of resurrection
Only You can take this empty shell and raise it from the dead
What I've lost to the world what seems far beyond redemption
You can take the pieces in Your hand and make me whole again, again
