

# Motivation

## Sum 41

What's the difference of never knowing at all?  
When every step I take is always too small  
Maybe it's just something I can't admit  
But lately I feel like I don't give a shit  
Motivation, such an aggravation  
Accusations, don't know how to take them  
Inspiration's getting hard to fake it  
Concentration, never hard to break it  
Situation, never what you want it to be  
What's the point of never making mistakes?  
Self-indulgence is such a hard habit to break  
It's all just a waste of time in the end  
I don't care, so why should I even pretend?  
Motivation, such an aggravation  
Accusations, don't know how to take them  
Inspiration's getting hard to fake it  
Concentration, never hard to break it  
Situation, never what you want it  
Nothing's new  
Everything's the same  
It keeps on dragging me down  
It's getting kind of lame  
I'm falling further behind  
There's nothing to explain  
No matter what you say  
Nothing's gonna change my mind  
Can't depend on doubt until the end  
It seems like leaving friends has become this year's trend  
And though I can't pretend, afraid to be this way  
It's not the same but who's to blame  
For all those stupid things I never said  
Motivation, such an aggravation  
Accusations, don't know how to take them  
Inspiration's getting hard to fake it  
Concentration, never hard to break it  
Motivation, such an aggravation  
Accusations, don't know how to take them  
Inspiration's getting hard to fake it  
Concentration, situation, never what you want it to be  
Never what you want it to be  
Never what you want it to be
