

# Be What You Are

## Engineers

be what you are  
believe what you say  
but don't tell me  
what I have to playbe where you are  
change by the day  
but don't tell me  
what I'm here to sayland on your feet  
no room for mistake  
but don't tell me  
that you're not afraid.  
tap on the glass  
you're still on display  
just don't call me  
when it slips away
