Healed

Endless Blue

Got A story to tell you about somethings that I been through but I'm healed oh I'm healed
Had some ups and some downs, leveled to the ground but I'm healed oh I'm healed
Had to wrestle all night long, wondering what went wrong but I'm healed oh I'm healed
Had some sunshine and some rain, heartache and some pain I'm healed oh I'm healed

My God has touched me, delievered, he set my soul free
My heart is mended, I'm whole again, no chains are holding me
Got my liberty, I am healed, I am healed
I'm healed today (repeat verse twice)

May have some scars, I am healed
Circumstances, I'm still healed
Disappointments, I am healed (repeat verse twice)

Oh Oh Oh I am healed, I am healed, I am healed
With his stripes, I am healed (repeat verse twice)
