

Burnin' Bed

David Nail

Tangled, Vodka, midnight
Can't stay, taxi, goodnight
Then you kiss me
And it's on again
Here in the dark all it takes is a spark
And I fall right back in
Chorus:
This burnin' bed's the kinda burn
That's gonna burn us from the inside out
This burnin' bed is gonna burn us
'Til we're ashes scattered on the ground
Here in your arms
My heart can't get you out of my head
And so burn baby, burn baby, turn down this burnin' bed
Goodbye's just a liar
Oh, 'cause goodbye fans this fire
And makes me want you
Like I do right now
Your lips find my lips
And my hands find your hips
And I just lay you down in
Repeat Chorus
