

# We Are The People (Tits and Clits Remix)

## Empire of the Sun

We can remember swimming in December,  
Heading for the city lights in 1975,  
We share in each other,  
Nearer than father,  
The scent of a lemon drips from your eyes We are the people that rule the world  
A force running in every boy and girl  
All rejoicing in the world  
Take me now' we can try We lived an adventure  
Love in the Summer  
Followed the sun till night  
Reminiscing other times of life  
For each every other  
The feeling was stronger  
The shock hit eleven' Got lost in your eyes I can't do well when I think you're gonna leave me  
But I know I try  
Are you gonna leave me now  
Can't you be believing now I can't do well when I think you're gonna leave me  
But I know I try  
Are you gonna leave me now  
Can't you be believing now Can you remember and humanize  
It was still where we'd energized  
Lie in the sand and visualize  
Like it's 75 again We are the people that rule the world  
A force running in every boy and girl  
All rejoicing in the world  
Take me now' we can try I can't do well when I think you're gonna leave me  
But I know I try  
Are you gonna leave me now  
Can't you be believing now I can't do well when I think you're gonna leave me  
But I know I try  
Are you gonna leave me now  
Can't you be believing now I know everything about you  
You know everything about me  
Know everything about us I know everything about you  
You know everything about me  
Know everything about us I can't do well when I think you're gonna leave me  
But I know I try  
Are you gonna leave me now  
Can't you be believing now I can't do well when I think you're gonna leave me

But I know I try  
Are you gonna leave me now  
Can't you be believing now I can't do well when I think you're gonna leave me  
But I know I try  
Are you gonna leave me now  
Can't you be believing now
