

# Winter

## Ellegarden

Winter

Cables, TVs, Batteries, Bridges  
All my favorite things  
Dried and chapped and cracked lips of the  
Winter's golden wind

Taka ga kore gurai  
Boku ga sukidatta mono

Diodes, magnets, peanut butter  
All my favorite things  
Embedded hybrid fingers of the  
Winter's silver steam

Kimi ga kureta ne  
Boku ga sukidatta mono

Yubi no saki ni wa  
Kimi ga nokoshita  
Rakugaki mitai na  
Koburi no todai  
Tsuki no akari ga  
Nando kiete mo  
Tatoeba soko ga  
Tsukisasaru you ni  
Ikue ni mo kasanari  
Matataku you ni tsuite wa kieyuku  
Kiseki wo sono me de mitegoran  
Bokura wa imada ni  
SERAMIKKU ni datte sa  
Hanashi kaketeru  
This could be a happy ending

Cables, TVs, Batteries, Bridges  
All my favorite things  
Dried and chapped and cracked lips of the  
Winter's golden wind

Taka ga kore gurai  
Boku ga sukidatta mono
