

# I'll Be Your Baby Tonight

Skeggs

Close your eyes, close the door  
You don't have to worry anymore  
    I'll be your baby tonight  
    Shut the light, shut the shade  
    Oh, you don't have to be afraid  
    I'll be your baby tonight  
    Oh well, that mockingbird is gonna sail away  
        We're gonna forget it  
    And that big fat moon is gonna shine like a spoon  
        But we're gonna let it you won't regret it  
        Kick your shoes off do not fear  
        Oh, bring that bottle over here  
        I'll be your baby tonight  
    Oh well, that mockingbird is gonna sail away  
        We're gonna forget it  
    And that big fat moon's gonna shine like a spoon  
        But we're gonna let it you won't regret it  
        Kick your shoes off do not fear  
        Oh, bring that bottle over here  
        I'll be your baby tonight  
        I'll be your baby tonight
