

# I Got the Feelin'

**Ted Nugent**

I got the feeling like a man on the run  
I got the feeling like a loaded gun  
I got the feeling like it's mine all mine  
I got the feeling, I got it double time I got the feeling like her pants fits right  
I got the feeling she's mine all mine  
I got the feeling it's up to you  
Soaped up bent over, it's what I like to do I got the feeling like a man on the run  
I got the feeling like an elephant gun  
I got the feeling she's mine all mine  
I got the feeling, I got it double time  
All right
