

Live Your Life

Tulisa

Live your life
Live your life
In the zone
In the zone Show stopping
Slow thumping
Do it like a boss tonight
Tonight Some gals droppin' low
Take em' out
On the kill tonight
Alright Party into the night
Make it feel right
Do it like lovers do
Party for the night
On the run tonight
Do it like lovers do Why do you go out when you're not dancing?
Get up off my thing
Cause it's on top
We don't give a
If you don't join in
Cause we got freedom!
I got freedom! Wave your hands
Throw them up
Show them we don't give a fuck!
Live your life, live your your, live your life Steal the place
In your face
Party way into the day!
Live your life, live your live your
Life your live your life
In the zone in the zone Tonight
Tonight Pretty as a picture Tonight
Alright Party for the night
Anything tonight
Do it like lovers do
Party for the night
Look at it tonight
Do it like lovers do Why do you go out when you're not dancing?
Get up off my thing
Cause it's on top
We don't give a

If you don't join in
Cause we got freedom!
I got freedom!Wave your hands
Throw them up
Show them we don't give a fuck!
Live your life, live your your, live your lifeSteal the place
In your face
Party way into the day!
Live your life, live your live your
Life your live your life
In the zone in the zoneIf you want to be free
Love is all you need
If you want to live your dreams
Give it all that you can be!Why do you go out when you're not dancing?
Get up off my thing
Cause it's on top
We don't give a
If you don't join in
Cause we got freedom!
I got freedom!Wave your hands
Throw them up
Show them we don't give a fuck!
Live your life, live your your, live your lifeSteal the place
In your face
Party way into the day!
Live your life, live your live your
Life your live your life. In the zone in the zoneWave your hands
Throw them up
Show them we don't give a fuck!
Live your life, live your your, live your lifeSteal the place
In your face
Party way into the day!
Live your life, live your live your
Life your live your life
In the zone in the zone
